**Subject:** NUP 5426 - Hito Pruebas PRMTE

Estimada Sofia.

Junto con saludar, te comento los resultados de las pruebas PRMTE exitosas.

Pego datos y pruebas.

NUP 5426 - ok

SE	Paño	Medidor	IP/Puerto	Password

The screenshot shows the 'Setup Assistant' window with the 'Nameplate Info' tab selected. The interface includes a left-hand navigation menu with categories like Template, Basic Setup, Security, Communications, Clock, Demand, LED Pulsing, Energy Pulsing, Energy Applications, Onboard I/O, Expansion Modules, Logging, Revenue, Alarming, Power Quality, Displays, Verification, and Reports. The main content area displays the following information:

Allows you to program meter nameplate information.

FAC1 DeviceType	7400
FAC1 Revision	004.000.000
FAC1 Feature Set	Standard
FAC1 SerialNum	MR-2306F220-02
FAC1 Template	7400_Standard_V4.0.0.0.0
FAC1 Options	
FAC1 Owner	CHILIQUINTA
FAC1 Tag1	SS/EE QUINTERO
FAC1 Tag2	PMGD LONC VENT

At the bottom of the window, there are buttons for '< Back', 'Next >', 'Exit', and 'Help'.

Atte.
